BUSINESS PROFILE

CONSULTANCY SERVICES  
& TRADING FZE

**Premium  
B2B Consultancy  
for industrial firms  
entering  
Middle East markets.**

# About Our Company

CGR Consultancy Services and Trading FZE is a specialized consultancy firm established in 2026, registered in the Sharjah Publishing City Free Zone, United Arab Emirates.

We are dedicated to building trusted pathways between global suppliers and Middle East energy projects. Unlike traditional consultancies, we don't just offer advice; we deliver tangible market access, approvals, and commercial opportunities.

**ENABLERS** between **Global Suppliers** and **Middle East energy projects** for

- Oil, Gas, Energy
- Construction
- Manufacturing

ENOC - UAE    DEWA - UAE    SEHA - UAE    SABIC - Saudi    QatarEnergy

CONSULTANCY SERVICES  
& TRADING FZE

**From documentation  
to approval,  
we place your brand  
on the most elite utility  
list.**

# Our Consultancy Services

## Vendor Registration & Prequalification

We manage the entire registration process with major GCC authorities including ENOC, DEWA, SABIC, QatarEnergy, KIPIC, KNPC, KOC and BAPCO.

## Documentation & Compliance

Expert assistance in structuring technical and commercial documents to meet strict compliance standards, including MOFA attestation services.

## Portal Submissions

Handling all online portal submissions, updates, and maintenance of your vendor profile.

## Government Approvals

Navigating the complex landscape of government and semi-government approvals for smooth market entry.

# Industrial Product Supply

We specialize in sourcing and supplying high-quality industrial materials for the Oil & Gas, Construction, and Manufacturing sectors.

- › Steel Pipes & Fittings
- › Industrial Valves
- › Pumps & Flanges
- › Specialized Construction Materials

**Your roadmap to SABIC approval.  
SKIP THE GUESSWORK**

**We identify regulatory  
gaps, coordinate with  
local entities and  
handle complex  
documentation to help  
you achieve elite  
status.**

# Our Process

- Consultation
- Advisory
- Execution
- Support

Our engagement process is set to bring success to you.

- Initial strategic consultation to understand your products, services, target countries, and commercial objectives.
- We manage the full process of vendor/EPC registrations, digital portal submissions, and compliance documentation.
- We follow up until approval is achieved (typically 90-120 days), positioning you for trading opportunities.

**Expert Local Representation**

**Navigate the Middle East  
oil, gas and energy  
sector with a partner  
who understands the  
local terrain.**

# Why Choose US

## ➤ Faster Approval

Reduces vendor approval timeline from months/years to weeks/months, leading to quicker revenue.

## ➤ Market Access

Provides gap analysis and market entry strategies to target right operators and EPCs,

## ➤ Higher Success Rate

Minimizes risk of rejection due to missing documentation, saving costs on resubmissions.

## ➤ Cost Saving

Reduces need for hiring or overloading staff, saving salary and opportunity costs.

## ➤ Compliance Assurance

Ensures adherence to ISO, HSE, QA/QC, and local content requirements, avoiding penalties.
